Conditions for Standing Orders

- A. The owner of the savings account to be debited, is required to maintain a minimum available balance of twice the payment amount, plus the required fees.
- B. Standing order requests must be made at least two working days in advance of the start date of the order.
- C. If a scheduled transaction date falls on a weekend or non-business day, the transaction will be processed on the following business day.
- D. Only one attempt will be made, per specified frequency, to process the order.
- E. Only the person who establishes the standing order can give instructions for the cancellation of the order.
- F. Upon receiving proof of an account holder's death, the Society shall cancel all standing orders established by him.
- G. The closure of the account will result in the immediate cancellation of all related standing orders.
- H. The Society reserves the right to cancel the standing order at any time.
- I. The Society reserves the right to change the processing fee charged for transfers at anytime.
